CAREER & COUNSELLING CELL

FINISHING SCHOOL PROGRAM 2021

FACULTY: PHARMACY

PROGRAM: BACHELOR OF PHARMACY & MASTER OF PHARMACY

Program Description:

This program is designed for the final year students of Bachelor of Pharmacy and Master of Pharmacy will consist of 12 sessions spread over a period of Three days. The program will include both online and offline modes of training.

It is aimed to enlighten the final year students on various career opportunities available after successful completion of the program and how to equip themselves to meet the requirements and fulfill their dreams. It will help them to understand ethical/ professional values and their social responsibilities and thereby contribute for National Health Care delivery.

Program Outcomes:

After successful completion of this training, the student will be able to

- List the various career opportunities available after successful completion of Bachelor of Pharmacy
- Identify their Strengths and Weakness
- Choose a career of their choice
- Enumerate the requirements to be met to become a successful professional and contribute to Research & Innovations.
- Demonstrate positive outlook and attitude towards the profession
- Exhibit better skills in communication, problem solving, writing, team building, time management, decision making etc
- Demonstrate ethical and professional values and be a compassionate / caring health professional and contributing citizen.
